

# ProSkin Fitness Services

At Dermalogica, we LOVE skin treatments and are thrilled to be launching three **NEW** services. We invite you to stay relevant and drive innovation by joining us for hands on **Skin Fitness Planning** and our **NEW Dermalogica ProSkin Treatments**. Learn how to prep and plan for a cracking 2018 roll out to your customers to start the new year.

## You will learn:

### **NEW! Skin Fitness Plan powered by our newly engineered FaceMapping 2.0**

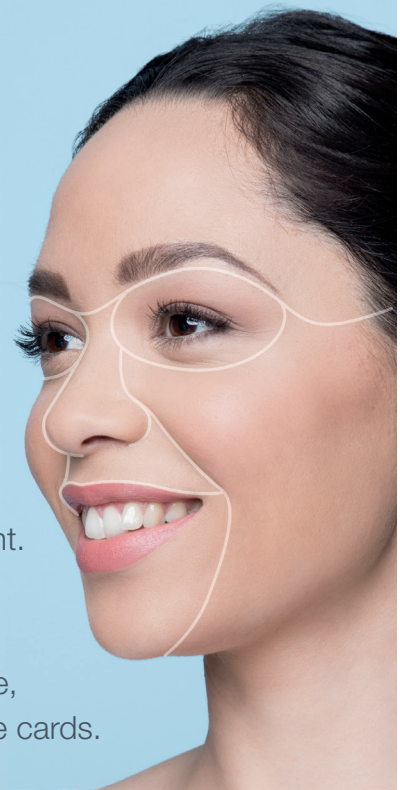

A 'fresh face' to FaceMapping has arrived – quicker, more consumer-friendly and more easily executed. Utilising an incredible web-enabled tool that combines lifestyle, skin analysis, prescription and treatment plan to ensure FaceMapping 2.0 really works for you, your customers and your business.

### **NEW! Dermalogica: ProSkin 60**

The ultimate ProSkin60 is a creative, bespoke modular based 60-minute treatment. Designed with the use of new Dermalogica recipe cards utilising advanced product options, techniques and technology in a sensorial environment.

### **NEW! Dermalogica: ProSkin 30**

Our bespoke modular treatment offered in your customer's 30-minute time frame, focusing on maximising results, utilising our new powered up Dermalogica recipe cards.

\*All treatments incorporate IonActive products and protocols for the use of advanced technology.
